**A BYLAW TO REGULATE AND IMPOSE CHARGES FOR THE  
CONVEYANCE, TREATMENT, AND DISPOSAL OF TRUCKED LIQUID  
WASTE AT FACILITIES OPERATED BY THE VILLAGE OF FRASER LAKE**

**WHEREAS** the Village of Fraser Lake owns and operates the service of the disposal and treatment of trucked liquid waste at its sewage facilities under Section 28 of the Community Charter,

**AND WHEREAS** under Section 194(1) of the Community Charter, the Village Council may impose fees or charges payable for the use of the service, and those fees or charges may be structured to provide different fees or charges to different classes of persons, property, businesses, and activities;

**AND WHEREAS** under Division 3 of the Community Charter, the Village Council may regulate and prohibit in relation to the service and may provide for a system of licenses, permits, or approvals in relation to a Village of Fraser Lake service;

**AND WHEREAS** under section 30 of the *Environmental Management Act*, the Village Council may make bylaws respecting the direct or indirect discharge of wastes into any sewer or drain connected to a sewage facility operated by the Village of Fraser Lake;

**NOW THEREFORE** the Mayor and Council of the Village of Fraser Lake in open meeting assembled enacts as follows:

**PART I: INTERPRETATION**

**1. APPLICATION**

This Bylaw applies to:

- (1) any waste discharges at a trucked liquid waste receiving facility that is owned and operated by the Village of Fraser Lake; and,
- (2) the use of any trucked liquid waste receiving facility that is owned and operated by the Village of Fraser Lake.

**2. CITATION**

This Bylaw may be cited for all purposes as "Trucked Liquid Waste Rates and Regulations Bylaw No. 816, 2020".

**3. DEFINITIONS**

The following terms, words and phrases when used in this Bylaw shall have the meanings set forth in this section, whether appearing in capital or lower-case form. If not defined below, the words and phrases used in this Bylaw shall have their common and ordinary meanings to the degree consistent with the technical subjects in this Bylaw.

**ADMINISTRATIVE CHARGE**

means a charge issued to a Hauler who submits incorrect information regarding the source or type of waste discharged at a trucked liquid waste receiving facility, as set in Schedule 'D'.

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**AIR**

means the atmosphere but, except in a sewer, on-site sewage system, or a sewage facility or as the context may otherwise require, does not include the atmosphere inside a constructed enclosure that is not open to the weather.

**AIR CONTAMINANT**

means any substance or odor whether gaseous, liquid, solid or a combination that is emitted into the air and that:

- (1) injures or is capable of injuring the health or safety of a person, (2) injures or is capable of injuring property or any life form,
- (3) interferes or is capable of interfering with visibility,
- (4) interferes or is capable of interfering with the normal conduct of business,
- (5) causes or is capable of causing material physical discomfort to a person, or
- (6) damages or is capable of damaging the environment.

**APPROVAL**

means the consent, in writing, of the Chief Administrative Officer or their designate.

**AUTHORIZED PERSON**

has the same meaning as defined in the *Sewerage System Regulation*.

**BETX**

means benzene, ethyl benzene, toluene, xylenes

**BIOMEDICAL WASTE**

has the same meaning as defined in the *Hazardous Waste Regulation*.

**BIOSOLIDS**

means stabilized sewage sludge resulting from a wastewater treatment process or septage treatment process which has been sufficiently treated to reduce pathogen densities and vector attraction to allow the sludge to be beneficially recycled in accordance with the requirements of the *Organic Matter Recycling Regulation*.

**BOD**

means Biochemical Oxygen Demand, being the quantity of oxygen utilized in the biochemical oxidation of organic substances under standard laboratory procedures in 5 days at 20 degrees Celsius expressed in milligrams per litre, as determined by the appropriate procedure in Standard Methods.

**BUSINESS**

means:

- (1) carrying on a commercial or industrial activity or undertaking of any kind, and
- (2) providing professional, personal or other services for the purpose of gain or profit, but does not include any activity carried on by the Village of Fraser Lake.

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**CHLORINATED PHENOLS**

means the chlorinated derivatives of phenols and as determined by the appropriate procedure described in Standard Methods.

**COD**

means Chemical Oxygen Demand, being a measure of the oxygen equivalent of the organic matter content of a sample that is susceptible to oxidation by a strong chemical oxidation, as determined by the appropriate procedure in Standard Methods.

**COMPOSITE SAMPLE**

means a sample of waste which is composed of equivalent portions of a specified number of grab samples collected manually or automatically at the same sampling point, at specified times or flow intervals during a specified sampling period.

**CONTAMINANT**

means any substance, whether gaseous, liquid, or solid, whether dissolved or suspended, or any sewage quality parameter that, when present above a certain concentration in sewage:

- (1) injures or is capable of injuring the health or safety of a person; (2) injures or is capable of injuring property or any life form;
- (3) interferes or is capable of interfering with the proper operation of a sewer or sewage facility;
- (4) causes or is capable of causing material physical discomfort to a person; or
- (5) damages or is capable of damaging the environment.

**CONTROL WORKS**

means any device, equipment, process, or method used to separate, treat, remove, or otherwise prevent restricted or prohibited waste from entering or forming part of a load or discharge, including, but not limited to, traps, interceptors, filters, and separators.

**DISCHARGE**

means any substance that is directly or indirectly introduced into a sewer, trucked liquid waste receiving facility, or sewage facility by spilling, disposing of, abandoning, depositing, leaking, seeping, pouring, draining, emptying, or by any other means;

means to directly or indirectly introduce a substance into a sewer, trucked liquid waste receiving facility, or sewage facility by spilling, disposing of, abandoning, depositing, leaking, seeping, pouring, draining, emptying, or by any other means.

**DOMESTIC SEWAGE**

means sewage produced on a residential premise, or sanitary waste and wastewater resulting from the ordinary use of showers and restroom washbasins produced on a non-residential property.

**EMERGENCY**

means any unexpected event or circumstance that poses immediate and significant harm to human health, safety or welfare, damage to property or harm to the environment.

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**ENACTMENT**

means any act, regulation, bylaw, order, or authorization, including any amendments or replacements, by a federal, provincial, regional, or municipal government or their authorized representatives.

**FRASER LAKE COMMERCIAL WASTEWATER DUMP STATION**

means the trucked liquid waste receiving facility owned and operated by the Village of Fraser Lake, located at 4 Tunasa Crescent, Fraser Lake, BC.

**GRAB SAMPLE**

means a sample of waste collected at a particular time and place.

**GROUND WATER**

means water in a saturation zone or stratum beneath the surface of land or below a surface water body.

**HAULER**

means any person who owns or operates one (1) or more trucked liquid waste hauling trucks.

**HAULER DISCHARGE LICENCE**

means a License issued by the Village of Fraser Lake that permits a Hauler to enter upon and use trucked liquid waste receiving facilities.

**HAZARDOUS WASTE**

has the same meaning as defined in the *Hazardous Waste Regulation*.

**HOLDING TANK**

means a watertight container for holding sewage until the sewage is removed for treatment.

**HOLDING TANK PERMIT**

means a permit for a holding tank issued under the *Sewerage System Regulation*.

**IMPROVEMENT DISTRICT**

means an Improvement District incorporated under the *Local Government Act*.

**LICENCE**

see "HAULER DISCHARGE LICENCE"

**LOAD**

means any waste that is carried or to be carried by a trucked liquid waste hauling truck, or that is discharged at a trucked liquid waste receiving facility.

**MONITORING POINT**

means an access point to sewage or a sewage system for the purpose of:

- (1) measuring the rate of flow or volume of sewage being discharged;
- (2) collecting representative samples of sewage being discharged.

**MUNICIPALITY**

means the Village of Fraser Lake.

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**NON-DOMESTIC SEWAGE**

means all sewage except domestic sewage, storm water, ground water, trucked liquid waste, and uncontaminated water.

**NUCLEAR SUBSTANCE**

has the same meaning as defined in the *Nuclear Safety and Control Act*.

**OFFICER**

see "Director of Public Works".

**OIL AND GREASE**

means *n*-Hexane extractable matter as described in Standard Methods and includes, but is not limited to, hydrocarbons, esters, fats, oils, waxes, and high-molecular weight carboxylic acids.

**ON-SITE SEWAGE SYSTEM**

means any wastewater system that stores sewage on-site, including, but not limited to, holding tanks, septic tanks, and pit-toilets.

**OCCUPIER**

in respect of property has the same meaning as defined in the *Community Charter*.

**ORDER**

means an order issued by the Chief Administrative Officer or the Director of Public Works or his designate.

**OWNER**

means:

- (1) in respect of property, owner as defined in the *Community Charter*;
- (2) in respect of business, the owner, director, manager, president, or person who may otherwise act on behalf of a business;
- (3) in respect of waste, the person who produces, carries, possesses, or is otherwise responsible for that waste.

**PCB**

means any monochlorinated, dechlorinated, or polychlorinated biphenyl or any mixture that contains one or more of these.

**PESTICIDE**

as the same meaning as defined in the *Integrated Pest Management Act*.

**pH**

means the expression of the acidity or basicity of a solution as defined and determined by the appropriate procedure described in Standard Methods.

**PHENOLS**

means the hydroxy derivatives or aromatic hydrocarbons as determined by the appropriate procedure described in Standard Methods.

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**PIT-TOILET**

means any container or pit that is for the purpose of collecting sewage that may or may not use chemicals to help the wastes decompose, typically designed with little to no plumbing features, including outhouses, privies, and composting toilets.

**POLYCYCLIC AROMATIC HYDROCARBONS (PAH)**

means the total of all of the following polycyclic aromatic hydrocarbons: Acenaphthene, acenaphthylene, anthracene, benzo(a)anthracene, benzo(a)pyrene, benzo(b)fluoranthene, benzo(g,h,i,)perylene, benzo(k)fluoranthene, chrysenes, dibenzo(a,h)anthracene, fluoranthene, fluorene, indeno (1,2,3-cd)pyrene, methylnaphthalene, naphthalene, phenanthrene, pyrene.

**PREMISES**

means any land or building or both or any part thereof.

**PROHIBITED WASTE**

means prohibited waste as defined in Schedule 'A' of this Bylaw.

**RECREATIONAL VEHICLE WASTE**

means sanitary sewage accumulated in a holding tank in a trailer, camper, transportable housing unit, bus, aircraft, boat, houseboat, long-haul truck with on-board personal lavatory fixtures, or similar vehicles, but specifically excludes wastes carried in trucked liquid waste hauling trucks.

**REGIONAL DISTRICT**

means the Regional District of Bulkley Nechako.

**RESIDENTIAL PROPERTY**

means a property classified as "Class 1" by BC Assessment.

**RESTRICTED WASTE**

means restricted waste as defined in Schedule 'B' of this Bylaw.

**SANITARY SEWAGE**

means human excreta and waterborne waste from the non-commercial and non-industrial preparation and consumption of food and drink, dishwashing, bathing, showering, and general household cleaning and laundry.

**SANITARY SEWER**

means a sewer which carries sanitary sewage, but which is not intended to carry storm water or uncontaminated water.

**SEPTAGE**

means any sewage collected in a septic tank or accumulated in wastewater lines and appurtenances.

**SEPTIC TANK**

means a watertight container for receiving, treating, and settling sewage.

**SEWAGE**

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

means the composite of water wastes and water-carried wastes from residential, commercial, industrial, or institutional premises or any other source.

**SEWAGE CONTROL MANAGER**

means the Director of Public Works or their designate appointed by the Village Council or a person appointed by the Village Council as his or her deputy, under the *Environmental Management Act*.

**SEWAGE CONTROL OFFICER**

means the Director of Public Works appointed by the Village Council under the *Environmental Management Act*.

**SEWAGE SLUDGE**

means the removed material resulting from chemical treatment, coagulation, flocculation, sedimentation, flotation, or biological oxidation of sewage.

**SEWAGE FACILITY**

means any works owned or operated by the Village of Fraser Lake to treat, store, utilize, or discharge sewage.

**SEWER**

means all pipes, conduits, drains, pumping stations, and other equipment and facilities, owned or otherwise under the control or jurisdiction of the Village of Fraser Lake for the purpose of providing sewage collection, conveyance, treatment, or disposal.

**SHARPS**

means hypodermic needles, hypodermic syringes, blades, broken glass, and any devices, instruments or other objects which have acute rigid corners, edges or protuberances.

**SLUDGE**

means sewage containing more than 0.5% total solids.

**STANDARD METHODS**

means the latest edition of "Standard Methods for the Examination of Water and Wastewater" jointly prepared and published from time to time by the American Public Health Association, American Water Works Association, and the Water Pollution Control Federation.

**STORM SEWER**

means a sewer for the collection and transmission of storm water.

**STORM WATER**

means water resulting from natural precipitation from the atmosphere, including water from inflow and infiltration.

**SUBSTANCE**

includes any solid, liquid, or gas.

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**SUSPENDED SOLIDS**

means the portion of total solids retained by a filter, as determined by the appropriate procedure in Standard Methods.

**TRUCKED LIQUID WASTE**

means any waste that originates from any plumbing fixtures or works that are not directly and permanently connected to a sewer system, including, but not limited to, holding tank waste, septic tank waste, pit toilet waste, chemical toilet content, and other sludge of organic or inorganic origin, but specifically excludes recreational vehicle waste.

**TRUCKED LIQUID WASTE HAULING TRUCK**

means any vehicle that collects trucked liquid waste for the purposes of transporting and disposing of that waste.

**TRUCKED LIQUID WASTE RECEIVING FACILITY**

means a sewage facility that receives trucked liquid waste, or other sewer works that receive trucked liquid waste for conveyance to a sewage facility, that is owned and operated by the Village of Fraser Lake.

**UNCONTAMINATED WATER**

means any water excluding storm water but including cooling water and water from municipal waterworks or a private water supply to which no contaminant has been added because of its use or to modify its use by any person.

**USER-FEE**

means the total charge calculated for the use of a trucked liquid waste receiving facility based upon the user-rate per volume.

**USER-RATE**

means the price per volume of waste that is discharged a trucked liquid waste receiving facility.

**VILLAGE COUNCIL**

means the elected Mayor and Council of the Village of Fraser Lake

**WASTE**

means any substance that is or is intended to be discharged or discarded, including sewage.

**WASTEWATER**

see "SEWAGE"

**WATER**

means any water including surface water, groundwater, and ice.

**WATERWORKS**

means any works owned or otherwise under the control or jurisdiction of the Village of Fraser Lake that collects, treats, transports, or stores drinking water.

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**WORKS**

includes:

- (1) a drain, sewer, or waste disposal system including a sewage facility, pumping station, or outfall;
- (2) a device, equipment, land, or a structure that:
  - (a) measures, handles, transports, stores, treats, or destroys waste or a contaminant; or
  - (b) introduces waste or a contaminant into the environment;
- (3) an installation, plant, machinery, equipment, land or a process that causes or may cause a release of a contaminant into the environment or is designed or used to measure or control the introduction of waste into the environment or to measure or control a contaminant;
- (4) an installation, plant, machinery, equipment, land or a process that monitors or cleans up a contaminant or waste.

**4. ENACTMENTS**

(1) A reference in this Bylaw to an enactment includes a reference to the enactment as amended or replaced.

(2) The following enactments are specifically referenced in this Bylaw and may be referred to, as necessary. This list is for reference purposes only and in no way alters, limits, or enlarges the intent or scope of these and other enactments and their application to this Bylaw.

**PART II: ALL DISCHARGES TO TRUCKED LIQUID WASTE RECEIVING FACILITIES**

**5. RESTRICTIONS**

No person shall directly or indirectly discharge or allow or cause to be discharged into a trucked liquid waste receiving facility:

- (1) any prohibited waste, in any volume, as described in Schedule 'A';

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

- (2) any restricted waste, in any volume unless specified, as described in Schedule 'B';
  - (3) any uncontaminated water, in any volume greater than 2.0 m<sup>3</sup>/day; (4) any storm water or ground water, in any volume;
  - (4) any water or other substance for the purpose of diluting any sewage, septage, sewage sludge, or non-domestic wastes in any volume.
6. The Village of Fraser Lake WWTF has limited capacity to accept trucked liquid waste. The Village maintains the right to refuse trucked liquid waste during periods of seasonal runoff, following high precipitation events and when our wastewater flow rates exceed 1000 m<sup>3</sup>/day.
7. The Village of Fraser Lake maintains the right to require laboratory analysis of trucked wastewater prior to discharge into our wastewater system to establish or eliminate the presence of prohibited or restricted waste. Sample analysis will be conducted by ALS Labs, Kamloops, B.C.
8. The Village of Fraser Lake maintains the right to limit the number of facility users, the volume, and the type of materials being disposing of at our trucked liquid waste receiving facility.
9. The Village of Fraser Lake reserves the right to reject applications to dispose of trucked liquid waste into our receiving facility.

### **PART III: TRUCKED LIQUID WASTE RECEIVING FACILITIES**

#### **10. REGULATIONS**

- (1) No person shall discharge any trucked liquid waste within the Village of Fraser Lake, except:
  - (a) at a trucked liquid waste receiving facility listed in Schedule 'C'

#### **11. USE OF TRUCKED LIQUID WASTE FACILITIES**

- (1) No person shall discharge any trucked liquid waste at a trucked liquid waste receiving facility, unless that person:
  - (a) is an employee of the Village of Fraser Lake,
  - (b) is a Hauler with a License that is not suspended, revoked, or expired,
  - (c) is an agent of or is otherwise authorized by the Village of Fraser Lake to make use of the trucked liquid waste receiving facility;
- (2) Any person who uses a trucked liquid waste receiving facility must follow the rules for that facility as follows:
  - (a) as set out in Schedule 'D' of this Bylaw,
  - (b) as stated on any signage or materials published by the Village,
  - (c) as indicated by an employee or agent of the Village;
- (3) Any person making a discharge at a trucked liquid waste receiving facility shall immediately stop the discharge at the instruction of an employee of the Village of Fraser Lake if that employee has

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

reasonable grounds to believe that the discharge does not meet the provisions of this Bylaw or any other applicable enactment.

**12. AFTER HOURS**

No person shall make use of a trucked liquid waste receiving facility at any time other than the regular hours and days of operation, unless:

- (1) that person is an authorized employee, contractor or agent; or,

**13. MONITORING**

- (1) Any waste being discharged at a trucked liquid waste receiving facility may be metered, monitored, or sampled at any time and in any manner by a Director of Public Works or other employee, agent or contractor of the Village of Fraser Lake authorized by the Village of Fraser Lake to do so;
- (2) A person using a trucked liquid waste receiving facility must provide complete and accurate information regarding the nature or source of the waste as reasonably requested by the Director of Public Works or other employee, agent or contractor of the Village of Fraser Lake;
- (3) The Director of Public Works or other employee, agent or contractor of the Village may, at the sole expense of the Hauler, require that a Hauler weigh a hauling truck before and after discharging a load and use the calculated weight to determine the volume of the load, as determined by the formula in Schedule 'F';
- (4) The Hauler must provide the information regarding the weight of the hauling truck obtained under subsection 9(3) to the Director of Public Works or other employee, agent or contractor of the Village of Fraser Lake.

**PART IV: HAULER DISCHARGE LICENCES**

**14. HAULER DISCHARGE LICENCES**

- (1) A person must submit an application for a License to the Village of Fraser Lake at least thirty (30) working days prior to the date for which a License is required;
- (2) All costs and expenses directly or indirectly incurred by any person to obtain, maintain, or amend a License, or resulting from meeting the terms of the License, or an amendment, suspension or termination of a License shall be borne by the person;
- (3) A person that submits an application for a License must not use a trucked liquid waste receiving facility until a License is issued by the Village of Fraser Lake;
- (4) All information provided in the License application must be complete and accurate to the knowledge of the person submitting the application;
- (5) One (1) License is required for each person or hauling business that uses or intends to use a trucked liquid waste receiving facility;
- (6) The License only applies to the vehicles described or listed in the application;
- (7) A Hauler must immediately inform the Village of Fraser Lake of any changes or updates to the information provided in the application including, without limiting the generality of the foregoing, the vehicles to be used by the Hauler;

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

- (8) An employee of the Village of Fraser Lake may require a person who has submitted an application under subsection (1) to submit any additional information or documentation at any time to assist the evaluation of the application;
- (9) An application under subsection (1) must be submitted substantially in the form and manner set out in Schedule 'E'.

**15. HAULER DISCHARGE LICENCE CONDITIONS AND REQUIREMENTS**

- (1) No License is effective until signed by the Chief Administrative Officer or the Director of Public Works;
- (2) The Director of Public Works may withhold consent or refuse to approve a License:
  - (a) if the information provided is insufficient to permit the Director of Public Works to be satisfied that the application complies with this Bylaw, or
  - (b) if the Hauler or any person involved in the management of the Hauler's business has in the past failed to comply with the terms and conditions or restrictions in a License or this Bylaw, or
  - (c) where the Director of Public Works has other grounds to reasonably believe that the Hauler or any person involved in the management of the Hauler's business will not comply with the terms, conditions or restrictions of this Bylaw or a License, or
  - (d) if the application includes false or materially misleading information.
- (3) A Hauler must immediately inform the Village of Fraser Lake of any changes or updates to the information provided in the License;
- (4) Unless otherwise stated or compromised, a License shall be effective for one (1) year from the date it is issued;
- (5) A Hauler may renew a License up to sixty (60) working days before the expiry date stated on the existing License;
- (6) An expired License is deemed ineffective;
- (7) The Director of Public Works may, at any time, impose any additional provisions, requirements, or restrictions on a License related to the purposes of this Bylaw that the Hauler must meet in order to obtain, maintain or renew the License;
- (8) Licenses cannot be transferred or assigned without the Chief Administrative Officer or the Director of Public Works' written approval.

**16. HAULER DISCHARGE LICENCE SUSPENSION AND TERMINATION**

- (1) Without limiting the Director of Public Works' authority under the *Environmental Management Act*, the Director of Public Works may suspend a License where there has been a circumstance or event that results in a breach of this Bylaw, an event or circumstance that causes damage to any part of a trucked liquid waste receiving facility or Village property, or a spill, until the circumstance or event has been corrected, or remediation of a spill site is complete;
- (2) Before reinstating the License, the Director of Public Works may require that the Hauler provide documentation sufficient to show that the circumstance, event, or spill is corrected or remediated;
- (3) Without limiting subsection 12(1), the Director of Public Works may suspend or terminate a License if that Hauler:

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

- (a) fails to comply with the terms, conditions, or restrictions of the License, (b) fails to comply with this Bylaw, or any applicable enactment,
  - (c) provides or has provided any false, incorrect, or misleading information to the Village of Fraser Lake or its representatives,
  - (d) owes any monies to the Village of Fraser Lake under this Bylaw and fails to pay such monies within ten (10) days of a demand for such money mailed to the most recent address for the Hauler in Village of Fraser Lake records.
- (4) The Chief Administrative Officer or Director of Public Works may, at any time, reconsider, amend, or cancel her or his decision with respect to the granting, refusal, suspension, amendment, or termination of a License.

**17. TRANSITION: HAULERS**

A Hauler who is hauling trucked liquid waste to a trucked liquid waste receiving facility at the date of adoption of this bylaw must submit an application for a License within six (6) months from the date that this Bylaw is adopted.

**PART V: TRUCKED LIQUID WASTE RECEIVING FACILITIES USER-FEES AND USER-RATES**

**18. ALL USER-FEES**

- (1) Any person disposing of waste at a trucked liquid waste receiving facility shall pay the user-fee in accordance with this Bylaw;
- (2) All user-fees shall be due within thirty (30) days of the date of invoice;
- (3) No complaint of an error in any user fee shall be considered and no adjustment of any such error shall be made after a period of one (1) year has elapsed since the end of the period for which such user fees imposed.

**19. HAULER BILLING TO USERS**

- (1) Any fees, charges, or user-rates established by the Village of Fraser Lake are separate from any service charges or fees charged by the Hauler;
- (2) It is a condition of use of the trucked liquid waste receiving facility that any invoice issued by a Hauler to a person regarding the discharge of waste at a trucked liquid waste receiving facility must clearly and separately state:
  - (a) the date that the load was pumped from the on-site sewage system,
  - (b) the date that the load was discharged at a trucked liquid waste receiving facility,
  - (c) the volume of the load discharged,
  - (d) the type of waste discharged,
  - (e) the Village of Fraser Lake user-rate that applied to the load,
  - (f) the total calculated user fee invoiced to the person,
  - (g) the full name of the person invoiced,
  - (h) the civic address from where the load originated, and
  - (i) the current contact information of the person invoiced.

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**20. VILLAGE OF FRASER LAKE BILLING TO HAULERS**

- (1) The Village of Fraser Lake shall invoice any Hauler that discharges waste at a trucked liquid waste receiving facility;
- (2) If section 18 [*holding tank waste disposal user-rate*] or section 19 [*municipal step- system user-rate*] of this Bylaw applies to a load, a Hauler must submit all billing information regarding the discharge of that load at a trucked liquid waste receiving facility to the Village of Fraser Lake for each month on or before the last day of the following month, including a copy of any invoice described in subsection 15(2) and any trucked liquid waste disposal claim slips;
- (3) Upon the request of the Village of Fraser Lake, a Hauler must submit all billing information regarding the discharge of waste at a trucked liquid waste receiving facility to the Village within thirty (30) days of the request, including a copy of any invoice described in subsection 15(2) and any trucked liquid waste disposal claim slips;
- (4) Any invoice issued by the Village of Fraser Lake to a Hauler for the use of a trucked liquid waste receiving facility is separate from any other charges or fees imposed by the Village of Fraser Lake;
- (5) A Hauler must pay to the Village of Fraser Lake the full amount of the invoice within thirty (30) days of the invoice date;
- (6) Any amount outstanding thirty (30) days after the invoice date shall bear interest at the rate of one and one-quarter percent (1.25%) per month;
- (7) A person must not provide incorrect, false or misleading information to the Village of Fraser Lake regarding the characteristics of waste discharged at a trucked liquid waste receiving facility, including, the volume, strength, origin, and type of the discharge;
- (8) If a person provides incorrect, false or misleading information, as described in subsection 16(7), the invoice relating to the waste shall be re-calculated by the Village of Fraser Lake accordingly, and the Hauler must pay to the Village of Fraser Lake the amount owing as corrected within thirty (30) days of receiving the corrected invoice and  
the Hauler must pay the Administrative Charge as set in Schedule 'D' in addition to any amount owing;
- (9) The Village of Fraser Lake may retroactively invoice a Hauler for any corrections made to an invoice for up to one (1) year from the date that the billing information was first submitted by the Hauler to the Village of Fraser Lake;
- (10) A Hauler must retain all billing information regarding the use of a trucked liquid waste receiving facility for at least one (1) year from the date that the billing information was first submitted by the Hauler to the Village of Fraser Lake;
- (11) Subsections 16 (4), (5), and (6) of this Bylaw apply to any amount owing to the Village of Fraser Lake from the Hauler.

**PART VI: USER-RATES**

**21. SEPTAGE DISPOSAL USER-RATE**

Any person discharging waste at a trucked liquid waste receiving facility shall pay the Septage Disposal User-Rate for that waste.

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**22. HOLDING TANK WASTE DISPOSAL USER-RATE**

Any person discharging waste at a trucked liquid waste receiving facility from a property that is registered under the Holding Tank Registration shall pay the Holding Tank Waste Disposal User- Rate for that waste.

**23. MUNICIPAL STEP-SYSTEM USER-RATE**

Any person discharging waste from a property listed in Schedule 'F' at a trucked liquid waste receiving facility shall pay the Municipal Step-System User-Rate for that waste.

**PART VII: OFFENCES AND PENALTIES**

**24. MAXIMUM FINE**

A person who contravenes this Bylaw, or other requirements made or imposed under this Bylaw, commits an offence and is liable to a fine not exceeding \$2,000.00.

**25. RECURRING OFFENCES**

Where an offence is committed on or continues for more than one day, a person shall be deemed to have committed a separate offence for each day on or during which an offence occurs or continues, and separate fines, each not exceeding \$2,000.00, may be imposed for each day on or during which an offence occurs or continues.

**26. LIABILITY:**

A person who contravenes Federal or Provincial Act or Regulation by discharging trucked liquid waste into the Village of Fraser Lake Trucked Liquid Waste Receiving Facility will be liable to all fines and related fees levied by the Federal or Provincial Regulatory Agency who is responsible for administering the relevant regulation or act.

**PART VIII: GENERAL**

**27. OTHER ENACTMENTS**

- (1) Nothing in the Bylaw shall be interpreted as relieving a person, business, or organization from complying with federal, provincial, and local government enactments;
- (2) Nothing in this Bylaw shall be interpreted as restricting the powers of the Village of Fraser Lake or its employees, the Director of Public Works, or Officers under the *Local Government Act*, *Environmental Management Act*, *Public Health Act*, or any other applicable enactments of the Province of British Columbia or the Government of Canada.

**28. ENFORCEMENT**

The Director of Public Works, an Officer, or a Bylaw Enforcement Officer may enforce the provisions of this Bylaw.

**29. AUTHORITY OF THE VILLAGE COUNCIL**

When the Village Council has authority to direct that a matter or thing be done by a person, the Village Council may also direct that, if the person fails to take the required action, the matter or thing shall be done at the expense of the person in default in accordance with the *Local Government Act*. If the action in default is taken,

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

the Village Council may recover the expense from that person, together with costs and interests at the rate prescribed under the *Taxation (Rural Area) Act*, in the same manner as municipal taxes.

**30. SCHEDULES**

- (1) The schedules attached to this Bylaw shall be deemed to be an integral part of this Bylaw;
- (2) An employee of the Village of Fraser Lake may update, re-format, or edit any application, registration, or other form that accompanies a schedule as necessary, including both paper and digital forms, without an amendment to this Bylaw provided that the changes or edits are not inconsistent with this Bylaw.

**31. SEVERABILITY**

If any provision of this Bylaw is found to be invalid by a court of competent jurisdiction, it may be severed from the Bylaw without affecting the interpretation or validity of any other provision of this Bylaw.

**32. HEADINGS AND TABLE OF CONTENTS**

The headings and the table of contents in this Bylaw are inserted for convenience of reference only and in no way limit, expand, or alter the contents of this Bylaw.

**33. DEFAULT AND TERMINATION:**

- 1) If an approved user disposes of any substance into the Disposal Station in a manner that contravenes this agreement, it shall at the Village's choosing, either:
  - a. clean up any residue of the substance, and any area impacted by the substance, all to the Village's satisfaction; or
  - b. compensate the Village for any resulting damage to the Village's sewer system.
- 2) If an approved user is in breach of, defaults, or otherwise fails to perform or observe any of the covenants or obligations in this bylaw, the Village may deliver written notice of breach to the user. If the user does not cure or otherwise perfect the breach within 30 days, the Village may terminate their agreement with the user.

**34. REPEAL**

The following bylaws are hereby repealed:

None

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

READ A FIRST TIME this 27 day of May 2020

READ A SECOND TIME this 27 day of May 2020

READ A THIRD TIME this 27 day of May 2020

RECONSIDERED AND ADOPTED this 10 day of June 2020

  
Sarrah Storey, Mayor

  
Rodney J. Holland, Corporate Officer

CERTIFIED A TRUE AND CORRECT COPY  
Of Bylaw No. 816, 2020 cited as the  
Village of Fraser Lake Trucked Liquid Waste Rates and Regulations Bylaw No. 816, 2020

  
Rodney J. Holland, Corporate Officer

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**SCHEDULE 'A': PROHIBITED WASTES**

Prohibited waste means any one (1) or more of the following, in any volume:

1. **HAZARDOUS WASTE** as defined by the *Hazardous Waste Regulation*;
2. **AIR CONTAMINANT WASTE**, meaning any waste, other than sanitary waste which, by itself or in combination with another substance is capable of creating, causing, or introducing an air contaminant outside any sewer or sewage facility or is capable of creating, causing, or introducing any air contaminant within any sewer or sewage facility which would prevent safe entry by authorized personnel;
3. **FLAMMABLE, COMBUSTIBLE, OR EXPLOSIVE WASTE**, meaning any waste which, by itself or in combination with another substance, is capable of causing or contributing to an explosion or supporting combustion in any sewer or sewage facility including, but not limited to gasoline, naphtha, propane, diesel, fuel, oil, kerosene, or alcohol;
4. **OBSTRUCTIVE WASTE**, meaning any waste which, by itself or in combination with another substance, is capable of obstructing the flow of or interfering with the operation or performance of any sewer or sewage facility including, but not limited to, sludge, earth, sand, sweepings, gardening or agricultural waste, ash, chemicals, paint, metal, glass, sharps, rags, wipes, cloth, tar, asphalt, cement-based products, plastic, wood, waste portions of animals, fish, or fowl, and solidified fat;
5. **CORROSIVE WASTE**, meaning any waste with corrosive properties which, by itself or in combination with any other substance, causes or may cause damage to any sewer or sewage facility or which may prevent safe entry by authorized personnel;
6. **HIGH TEMPERATURE WASTE**, meaning:
  - (1) any waste which, by itself or in combination with another substance, creates or will create heat in amounts which will interfere with the operation and maintenance of a sewer or sewage facility or with the treatment of waste in a sewage facility;
  - (2) any waste which will raise the temperature of waste entering any sewage facility to 40 degrees Celsius or more;
  - (3) any non-domestic waste with a temperature of 65 degrees Celsius or more.
7. **BIOMEDICAL WASTE**, including, but not limited to, any of the following categories: human anatomical waste, animal waste, untreated microbiological waste, waste sharps, and untreated human blood and body fluids known to contain viruses and pathogens listed in "Risk Group 4" defined in "Laboratory Biosafety Guidelines" published by Health Canada;
8. **SPECIAL RISK ORGANIC WASTE**, meaning any substances that:
  - (1) are affected by bovine spongiform encephalopathy as defined by federal *Fertilizers Regulations*; or,
  - (2) are produced by the dissolving of remains;
9. **RADIOACTIVE WASTE**, meaning any waste containing nuclear substances that, at the point of discharge into a sewer, exceeds the limitations as established under the *Nuclear Safety and Control Act* and its Regulations.

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

10. **PCBs OR PESTICIDES**, meaning any waste containing PCBs or pesticides;
11. **PHARMACEUTICAL WASTE**, meaning any unused or unconsumed pharmaceutical substance, which, by itself or in combination with another substance, alters or may alter the chemical composition of treated effluent;
12. **CONTROL WORKS WASTE**, meaning any wastes accumulated in or collected by control works, including but not limited to oil and grease collected in grease traps;
13. **ODOUROUS WASTE**, meaning any waste which, by itself or in combination with another substance, may cause offensive odor to emanate from sewage works or facilities, including hydrogen sulphide, carbon disulphide, other sulphur compounds, amines, or ammonia;
14. **MISCELLANEOUS WASTE**, meaning any substance which, by itself or in combination with another substance:
  - (1) constitutes or may constitute a significant health or safety hazard to any person, animal or vegetation;
  - (2) causes or may cause damage, pollution, or harm to any property or environment;
  - (3) causes or may cause any conveyance or treatment process to not comply with any requirement by or under any permits, laws, certifications, enactments, or any regulations governing the conveyance or treatment process;
  - (4) causes or may cause a discharge from a sewage treatment facility to contravene any requirement by or under any permits, laws, certifications, enactments, or any regulations governing the quality of the discharge;
  - (5) causes or may cause biosolids to fail criteria for beneficial land application use in British Columbia under the *Organic Matter Recycling Regulation*, or to fail any requirement of or under any other applicable permits, laws, certifications, enactments, or regulation governing the quality of biosolids.

SCHEDULE 'A' to accompany "Trucked Liquid  
Waste Rates and Regulations Bylaw No. 816,2020

  
Sarah Storey, Mayor

  
Rodney J. Holland, Corporate Officer

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**SCHEDULE 'B': RESTRICTED WASTES**

Restricted waste means any one (1) or more of the following, in any volume unless otherwise specified:

1. **CONTAMINATED WASTE**, meaning any waste which, by itself or in combination with another substance, contains contaminants at or above the limits identified as follows:

Item	Limit [mg/L]	Item	Limit [mg/L]
Biochemical Oxygen Demand	20,000.00	Copper	65.00
Chemical Oxygen Demand	40,000.00	Cyanide	1.00
Oil and Grease, total	3,500.00	Iron	500.00
Total Suspended Solids	35,000.00	Lead	1.00
BETX	1.00	Manganese	8.00
Chlorinated Phenols	0.05	Mercury	0.05
Polycyclic Aromatic Hydrocarbons	0.05	Molybdenum	1.00
Phenols	2.00	Nickel	2.00
Petroleum Hydrocarbons	15.00	Silver	1.00
Arsenic	1.00	Sulphate	1,500.00
Cadmium	0.20	Sulphide	10.00
Chromium	4.00	Zinc	71.00
Cobalt	5.00		

- (1) all concentrations expressed are total concentrations, which include all forms of the contaminant, whether dissolved or undissolved.
- (2) the concentration limits expressed apply to both grab and composite samples.
- (3) contaminant definitions and methods of analysis to determine concentration limits are outlined in Standard Methods, or, where the Director of Public Works considers that the methods prescribed in Standard Methods are insufficient or inappropriate, as specified by the Director of Public Works.
2. **ACIDIC OR ALKALINE WASTE** meaning any non-domestic waste which, at the point of discharge into a sewer, has a pH lower than 5.5 or higher than 10.0, as determined by either a grab or a composite sample
3. **NON-DOMESTIC FOOD WASTE** meaning any non-domestic waste from cooking and handling of food that, at the point of discharge into a sewer, contains particles larger than 0.50 centimeters in any dimension.
4. **DYES AND COLOURING MATERIALS** means any dyes or coloring materials which may pass through a sewage treatment facility and discolor the effluent from a sewage treatment facility except where the dye is used by the Village of Fraser Lake, or one of the municipalities, as a tracer.

SCHEDULE 'B' to accompany "Trucked Liquid  
Waste Rates and Regulations Bylaw N. 816, 2020".

  
Sarrah Storey, Mayor

  
Rodney J. Holland, Corporate Officer

Adopted at the Regular Meeting  
Held June 10, 2020  
Resolution 06-10-221

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**SCHEDULE 'C': TRUCKED LIQUID WASTE RECEIVING FACILITIES**

**1. Trucked liquid waste receiving facilities:**

- (1) Fraser Lake Villa Trailer Court  
4 Tunasa Crescent, Fraser Lake, B.C.

SCHEDULE 'C' to accompany "Trucked Liquid  
Waste Rates and Regulations Bylaw No. 816,  
2020".

Sarrah Storey, Mayor

Rodney J. Holland, Corporate Officer

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**SCHEDULE 'D': RULES OF USE FOR FACILITIES AND APPLICABLE CHARGES**

**1. Rules of Use:**

The rules of use for trucked liquid waste receiving facilities are as follows:

- (1) A vehicle transporting trucked liquid waste to a trucked liquid waste receiving facility must be of such width, length, height, and capacity so that the vehicle can enter the facility without blocking or hindering other traffic;
- (2) A hauling vehicle must have connection devices compatible with those of the facility;
- (3) A Hauler must ensure that all vehicles, tanks, and ancillary equipment are maintained and inspected to ensure a safe and spill free operation;
- (4) Vehicles with dripping or leaking hoses, valves, tanks, or other ancillary equipment are not allowed to enter or use the facilities;
- (5) A Hauler must not lift or cause to be lifted a vehicle's tank;
- (6) A Hauler is liable for any damage to a trucked liquid waste receiving facility or Village of Fraser Lake property caused by the Hauler or caused by the functioning or operation of a Hauler's vehicle, tank, or equipment.
- (7) A Hauler must only park a hauling vehicle while awaiting discharge or while discharging;
- (8) A Hauler must only discharge a load to an inlet intended for trucked liquid waste receiving, and a Hauler must not discharge a load to any other manhole or other sewer works;
- (9) A Hauler must notify the Village of Fraser Lake at least two (2) days before discharging any waste from a pit-toilet;
- (10) Priority of use of a trucked liquid waste facility shall be determined on a first-come-first-serve basis;
- (11) A Hauler must not wash or service a vehicle at a trucked liquid waste receiving facility or on Regional District property, except for required clean-up;
- (12) Office, telephone, and washroom facilities are for the use of Village of Fraser Lake employees only.

**2. Administrative charge**

The Administrative Charges are set as follows:

ADMINISTRATIVE CHARGE	
First submission of incorrect information	\$50.00
Each subsequent submission of incorrect information	\$75.00

SCHEDULE 'D' to accompany "Trucked Liquid  
Waste Rates and Regulations Bylaw No. 816,2020".

  
Sarah Storey, Mayor

Rodney J. Holland, Corporate Officer

Village of Fraser Lake  
Trucked Liquid Waste Rates and Regulations Bylaw No. 816,2020

**SCHEDULE 'E': HAULER DISCHARGE LICENCES**

**1. Application form**

The application form shall request from the applicant not less than the following:

- (1) Applicant information including her or his name and current contact information; (2) Emergency contact information for the applicant or designated emergency contact; (3) Business information including the business name and location;
- (4) Fleet description, including the number of hauling trucks, each license plate, the size of each truck tank, and each truck's Commercial Vehicle Inspection Program decal number and expiry date;
- (5) Declaration, where the application must be signed by the owner of the business.

The application form shall also include:

- (1) The Village of Fraser Lake's current address and contact information;
- (2) Information on how to obtain a copy of this Bylaw.

**2. Hauler Discharge License**

An employee of the Village of Fraser Lake must prepare the License, and the License must include: (1) The License number issued to the Hauler or hauling business, in accordance with the current method of determining the License number;

- (2) The name and address of the Hauler or hauling business; (3) The date that the License is issued;
- (4) The date that the License shall expire;
- (5) Any additional terms, conditions, or restrictions imposed on the License;
- (6) A line for the signature of the Director of Public Works
