Sidewalks and Trails Upgrade / Expansion

Public Consultation Survey

The Village of Fraser Lake is conducting Public Consultation to assist Village planning. This planning activity is intended to support a phased upgrade and expansion of our municipal sidewalks and walking trail systems. We would like to ask for ideas or opinions.

1. Do you use our existing sidewalks and trail system?

- a. Yes
- b. No

2. In what capacity, do you or would you use the sidewalks and trail system? (Select all that apply)

- a. Walking
- b. Running
- c. Biking
- d. Winter Activity (Snowshoeing, Cross Country Skiing)
- e. Other, please specify _____

3. Do you feel there is a need to expand our community trail systems? This could include expanding our existing inventory of sidewalks to create greater accessibility to the community. Trails and sidewalks will also provide separation from vehicular and pedestrian traffic, supporting more efficient and safer pedestrian movement throughout the community?

- a. Yes
- b. No

4. If Yes, please choose all the areas you agree with:

- a. Connecting Mouse Mountain Trails with White Swan Park
- b. Connecting Endako Ave. Sidewalk with Mouse Mountain Trails
- c. Creating a trail from Park Dr., Francois Dr., Steiner Rd., to Cougar Street.
- d. Creating a frontage trail from Cougar St. to Chowsunket St.
- e. Creating a loop that connects sidewalks and trails throughout the community.
- f. All the above
- g. Other, please specify _____

5. Would you like to see our existing community trail systems upgraded with the addition of benches, lighting, or brush clearing?

- a. Yes
- b. No

6. If Yes, please specify: _____
