

NOTICE OF CONSTRUCTION

Reservoir Fill Line, Utilities and Road Upgrades

June 24, 2025

Dear Resident,

This notice is to inform you of the next phase of construction in your neighborhood. Work has now commenced on Tunasa Drive with the installation of the new supply and distribution watermain.

This week, construction will take place between **481 and 437 Tunasa Drive**, as crews continue installing water services and backfilling. Crews will be offsite for the long weekend starting Saturday, June 27 and returning July 3.

Please note that driveway access may be temporarily restricted while work is underway. Our Community Liaison, Nichole, will notify affected residents in advance. If you have questions, contact Nichole at **778-694-2117**.

For your safety, stay well clear of the worksite and all equipment at all times. Do not approach or enter the active construction zone. If you need to pass near the active construction zone, please ask Nichole or another liaison for assistance.

Continue placing garbage bins curbside as usual—our Dawson team will ensure they remain accessible for collection.

Tunasa Drive will be limited to local traffic only during construction. We appreciate your patience and cooperation as this important work progresses.

If you require further information or assistance, please don't hesitate to contact the Community Liaison at the numbers listed below:

Nichole Baker – Onsite Community Liaison	778-694-2117
Jennie Preziosi – Community Liaison	250-299-9508

We thank you for helping keep everyone safe.

Sincerely,
Dawson Civil
