

## NOTICE OF CONSTRUCTION

### Reservoir Fill Line, Utilities and Road Upgrades

---

June 15<sup>th</sup>, 2026

Dear Residents,

This notice is to inform you of upcoming construction activities in your neighbourhood. Please note that construction equipment, personnel, and trucks will be active throughout the project area as work continues.

The following activities are scheduled for this week:

- Installation of storm main at the intersection of Tunasa Crescent and Carrier Crescent. This intersection will remain closed until storm main installation in this area is complete.
- Installation of storm main along Carrier Crescent toward the Village Office towards the end of the week.
- Installation of lawn basins along Tunasa Drive, between Simon Fraser Avenue and Simon Fraser Avenue, with localized closures in place as required.

As these activities occur at various locations throughout the project area, residents should expect construction activity on Tunasa Drive, Tunasa Crescent, and Carrier Crescent. Motorists are encouraged to use alternate routes where possible to avoid active work areas and help reduce traffic congestion.

**Please note that Tunasa Drive will open to local traffic only.**

Trucks and other construction vehicles will be travelling throughout the project area. For your safety when walking near active work zones, remain alert and do not enter or pass through a work area unless directed to do so by a member of the construction crew.

If you require assistance accessing your property or passing through an active work area, please contact Erek for assistance.

If you require further information or assistance, please don't hesitate to contact the Community Liaison at the numbers listed below:

Jennie Preziosi	250-299-9508
Erek Boake	250-682-3239

Your continued patience and cooperation are appreciated.

Sincerely,  
Dawson Civil
