

NOTICE OF CONSTRUCTION

Reservoir Fill Line, Utilities and Road Upgrades

October 5th, 2026

Dear Residents,

This notice is to inform you of upcoming work on Tunasa Drive, Tunasa Crescent and Carrier Crescent for the week of October 5th. Crews will be performing driveway preparation, with paving expected to begin later this week. Please note that all activities are weather dependent and may be subject to last minute changes. We are doing our best to stay on track and we appreciate your understanding.

Work this week includes:

- Driveway Preparation: Crews will be preparing driveways on Carrier Crescent, Tunasa Drive and Tunasa Crescent ahead of paving. Please expect crews and equipment working near driveways, and limit driving on prepared areas to what is necessary to access your property.
- Paving: is tentatively scheduled to begin on the following dates. Please note, each date is weather dependent, an extra day has been provided as a buffer due to the forecast.
 - October 7th - Tunasa Crescent,
 - October 8th - Carrier Crescent and Village Office Parking Lot,
 - October 9-10th - Tunasa Drive,
 - October 11th – (if needed).
- Swaling and Culverts: Crews will carry out swaling and culvert work on Tunasa Drive. Please slow down and drive with caution through active work areas.
- Yard Restoration: Yard restoration work will also be taking place in areas impacted by construction.
