

NOTICE OF CONSTRUCTION

PAVING SCHEDULE UPDATE

October 8th, 2026

Dear Residents,

This notice is to inform you of a change to the paving schedule on Tunasa Drive, Tunasa Crescent and Carrier Crescent. Please see below to find when your area will be paved. All dates are weather dependent and may change at short notice. We appreciate your understanding.

Paving schedule for this week:

- **Wednesday, October 7th** – Tunasa Crescent, Endako/Chowsunket (includes Park Drive intersection),
- **Thursday, October 8th-9th** – Tunasa Drive, including the Simon Fraser Avenue cul-de-sac.
- **October 10th** – Carrier Crescent, Village Parking Lot, and asphalt driveways.

Please note, rain is in the forecast for Thursday and Friday. If paving is interrupted by rain, the crews will also pave on Sunday, October 11th.

Driveway Access and Road Closures

When the pavers are on your street, the **entire road will be closed** to help the paving get done faster.

Please have your vehicles out of your driveways by 7:00 am on the day your street is being paved, as you will not be able to leave for approximately 2 hours after the fresh pavement is laid. Also, stay clear of paving activities for your safety, and the safety of the workers. The pavers and paving equipment move extremely quickly, and crews need to stay focused on the task at hand.

Emergency access will be maintained; otherwise, roads/ intersections are closed during paving.

Steve Vickers	250-608-8425
