# FIRE PREVENTION WEEK OCTOBER 7-13, 2018

## TIME CHANGE

Don't forget to turn your clocks back one hour on Sunday November 4, 2018 at 2:00 AM

Fire Prevention Week was established to commemorate the Great Chicago Fire, in 1871, that killed more than 250 people, left 100,000 homeless, destroyed more than 17,400 structures and burned more than 2,000 acres. The fire began on October 8, but continued into and did most of its damage on October 9, 1871.

Having smoke alarms in your home is very important. Smoke alarms let you know there is a fire.

Working smoke alarms also give you time to get outside and stay outside if there is a fire.

Smoke alarms don't last forever.

- Smoke alarms should be replaced every 10 years
- Make sure you know how old all the smoke alarms are in your home.
- To find out how old a smoke alarm is, look at the date of manufacture on the back of the alarm;

the alarm should be replaced 10 years from that date.

This is also a good time to push the test button on all smoke alarms, and make sure they are working.

## Fraser Lake Public Library

**Library Board Trustees.** We are looking for more Trustees. Those who live in Fraser Lake or Area D are eligible to become a board trustee. We meet once a month except for July, August, and December.

We will be creating a new strategic plan to take us into the future. If this sounds like something you would like to be a part of please join us. Call Audrey at 250-699-8888

**Author Graeme Pole** will be presenting at the Library Monday, October 15 at 7:00 pm

Graeme is from Hazelton and his books are about hiking the Canadian Rockies, Railway history including the Spiral Tunnels, David Thompson and more. Join us for an entertaining evening.
