Village News

MAY 2023

VILLAGE OF FRASER LAKE SPRING CLEAN UP 2023 Big spring cleanup will be the week of May 29 – June 2, 2023.

To ensure your materials are picked up, please have your items separated and to the curb no later than Thursday, June 1.

Please separate household garbage, plastics, metals, painted wood, and non-painted wood.

Items that we cannot pick up are:

- cardboard (you must take to the Bottle Depot)
- batteries
- paint cans that are full or partially full (we can pick them up if empty and the lid is off)
- tires
- aerosol cans, and containers with flammable liquids, such as gas, oil, or paint thinner.
- propane cylinders
- refrigerators
- freezers
- vehicles
- grass clippings
- trees or shrubs that are over 2 inches in diameter.

If you are discarding motorized items such as a lawn mower, chain-saw or rototiller, all oil and gas must be drained before it can be disposed of at the dump.

If you have a vehicle to dispose of, prior arrangements must be made through Public Works at 250-699-6562.

Statutory Holiday

West Fraser

Northern Development Initiative Trust Intern

Please join the Village of Fraser Lake Council & Staff in welcoming our new NDIT Intern: **Lara Hartman.**

Lara is part of a Northern Development Internship Program and will be working for the Village of Fraser Lake for 12 months. The Intern Program provides post-secondary graduates with insight into the wide range of careers available within local governments.

Property Tax Notices will be mailed before May 18, 2023. Taxes are due by July 4th, 2023.

FireSmart

The homes that are prepared are the homes left standing. Don't let fire come to your front door.

As the snow and ice melt, wintering grass begins to show, this is a perfect time to start thinking about how to FireSmart your property. Wildfires in BC are starting earlier in the spring season. So far this year, BC Wildfire has recorded 170 wildfire events throughout the province. This is a large increase over past years, this early in the season.

The FireSmart programs offers residents many resources to protect their homes and properties from wildfires. Simple tasks can make all the difference.

1. Move firewood and other flammable material a minimum of 10 meters away from the home.
2. Remove leaves and other debris from the home's gutters.
3. Trim trees branches to a minimum of 2 meters off the ground and remove any flammable material below and around trees.
4. Remove flammable material from underneath decks.

Voyent Alert! Emergency Call Alert System

In times of crisis, it is important that residents have access to timely, trusted and accurate information to ensure their own safety and that of their family and loved ones. The Village of Fraser Lake along with the Regional District of Bulkley Nechako have launched a Emergency Call Alert System called Voyent Alert! This Mass Notification System allows residents to use an App or sign up online to receive text, email, and phone alerts during critical events like fires or floods as well as for relevant day-to-day communications such as snow removal advisories, planned maintenance, water advisories, etc.

We are excited to provide this alert system to our residents.

Go to <https://voyent-alert.com/community/> and click on "Register Now" to register to receive Voice, Email, or Text alerts.
